Key facts about EMEX:

EMEX Trade GmbH is an independent natural gas trading company with main focus on the wholesale markets and large industrial consumers. Our core business is to source, supply and trade natural gas and related services. Swaps, storage related deals, flexible supply solutions, hedging related transactions are the typical examples of what we usually offer.

In the 2019 fiscal year, EMEX Trade GmbH sales reached by 642,4 GWh. Sales were around 8,9 million euros in the same period. In the 2020 fiscal year, EMEX Trade GmbH increased sales by 828,9 GWh. Sales rose to around 9,8 million euros in the same period.

What should the users of the enmacc platform know about your company?

EMEX Trade GmbH was founded in 2018 in Austria and got immediately the Hungarian natural trading license and in 2019 the Central European Gas Hub (CEGH) trading license. The owner of the company (60%) is EMOGÁ Ltd. and 2 private persons (20-20%). The company received the access to the Central Eastern European Gas Exchange (CEEGEX) in 2019. It is an active wholesaler natural gas trader company in Hungary and in Austria since May of 2019. The company is extending its wholesaler activity to Slovakia and Ukraine as well. From 15th of October EMEX Trade GmbH has an active membership at EEX as well. From the date of joining to EEX, EMEX Trade GmbH has been able to buy natural gas directly from the Austrian hub in Baumgarten and to transport it to Hungary, Slovakia and Ukraine. EMEX Trade GmbH is also responsible for the supply of the end-customer portfolio of EMOGÁ Ltd.
